THE SECRETARY OF THE TREASURY
WASHINGTON

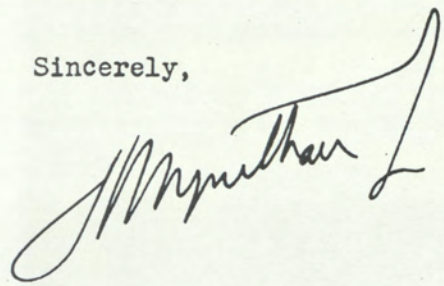
November 28, 1939.

My dear Mr. Sinnock:

I am much pleased with the Aldrich medal, which was handed me yesterday by Mrs. Ross. The design is very appropriate in its conception, and does you great credit.

You deserve much commendation for the excellence of your work, especially in view of the shortness of the time which was available for its completion.

Sincerely,



Mr. John R. Sinnock,
United States Mint,
Philadelphia, Pa.
